

SORT2save Cheer! (grades 1-2)

After lunchtime is my fav
At the bins, I SORT TO SAVE.

Pour all liquids in the bucket
Squeeze the carton before you chuck it.

Cartons, plastic cups, forks too
After emptied, into **BLUE**.

Chip bags, wrapping, ketchup packets
That's **GREY** trash with all **SOFT** plastic.

SORT TO SAVE. Start today. SORT TO SAVE. Here's the way!

Food scraps, paper towels, and napkins
Into **BROWN** bin, **COMPOST** happens.

Flip your plates, your trays, and stack them
Takes less space, less bags to pack them.

When you're done, just stack them flatter
Into **BROWN** bin, **OR-GA-NIC** matter!

Paper, soft board, dry and clean
Goes with cardboard, into **GREEN**.

SORT TO SAVE is what to do
Save fish, the birds, and polar bears too.

SORT TO SAVE. Start today. SORT TO SAVE. Here's the way!
