### **SORT2save cheer!**

After lunchtime is my fav  
At the bins, I SORT 2 SAVE.

TRASH pollutes, it's overrated  
Trucked to landfills, **IN-CINE-RATED**.

SORT 2 SAVE is what to do  
Save fish, the birds, and polar bears too.

*SORT 2 SAVE. Start today. SORT 2 SAVE. Here's the way!*

Pour all liquids in the bucket  
Squeeze the carton before you chuck it.

Cartons, plastic cups, forks too  
After emptied, into **BLUE**.

Chip bags, wrapping, ketchup packets  
That's **GREY** trash with all **SOFT** plastic.

Food scraps, paper towels, and napkins  
Into **BROWN** bin, **COMPOST** happens.

Flip your plates, your trays, and stack 'em  
Takes less space, less bags to pack them.

When you're done, just stack them flatter  
Into **BROWN** bin, **OR-GA-NIC** matter!

Paper, soft board, dry and clean  
Goes with cardboard, into **GREEN**.

*SORT 2 SAVE. Start today. SORT 2 SAVE. Here's the way!*

Carbon, methane, bad decisions  
Adds to greenhouse gas emissions.

Climate Change hurts more than air  
The trees, the birds, the POLAR BEARS!

Reduce your footprint, kids be brave  
Help the world and **SORT 2 SAVE!**

*SORT 2 SAVE. Start today. SORT 2 SAVE. Here's the way!*
